It's a new year and camping spots are starting to fill up. Does your Chapter get an extra spot and reach out to find someone new to join you? For many of the Colorado State Parks it's hard to get a spot after the first week or two of reservations and in some popular private parks are impossible! The OOPS Chapter always buys one extra spot when we go to Mueller, Cheyenne Mountain and others so that new families have a spot to go with us. There may be one of the regulars who changes plans and can go later in the year as well, and we've never been "stuck" with the extra spot AND we get new families to camp with us.

You can always reach us at [cofcrvmembership@gmail.com](mailto:cofcrvmembership@gmail.com) or call us at 303-364-5395. We love to hear from members with questions or ideas about membership, or new folks with questions. ~ Kathy and Bruce Thomas—Membership Director

### From Interstate 25

Take exit 269 B and head west on Colorado Highway 14 into Fort Collins. Follow the signs to U.S. Highway 287 north (about ten minutes). Take 287 north until you get to the northern edge of Fort Collins (about ten more minutes). Shortly thereafter, 287 will split off to the right to go to Laramie. Do not follow 287 at this point. Rather, continue straight into the town of Laporte. The second stoplight after this split will be Taft Hill Road (CR 19). Turn left onto Taft Hill Road (CR 19). Now get into the very first left-hand turning lane that you come to, which is about 1/2 mile down Taft Hill Road (CR 19). Turn left onto Lakeside Resort Lane and follow the concrete driveway straight through the gate.

## Roadrunners

Another camping season came to a close for the Roadrunners, but not without a couple of incredibly fun outings in September and October! The wine country in Palisades was the destination for nine rigs in September. With the Kelletts hosting, we toured four wineries and purchased a whole bunch of wine—not sure there was much left for the wine festival coming up the next weekend. Of course, we arranged for designated drivers so we could do our tasting and travel safely to the next winery and then later on to a Mexican restaurant for dinner. The Davidson tour bus hauled eleven people, plus two cars carried the rest of us. It was comical to see the winery operators watch all of us getting out of that motorhome!! We just told them that we all traveled and lived together in that RV—some took that story very seriously! Mike D. dressed for the bus driver role by wearing his vest accompanied with a pocket watch to keep us all on time (which never happened). Also, most of the group took a day trip down to Gateway and toured the incredible car museum. A few others went up to the much cooler Grand Mesa to fish. It was one of the best campouts we've had!!

The "wine" tour bus!

In October, ten rigs went to one of our favorite Fall destinations, Riverview RV Park. A sunny, warm weekend welcomed the group. Instead of the usual "throw-in-what-you-want chili" this year, the McQuilans and Bassetts prepared it ahead of time and it was delicious.

Another Tasting???

This month, the club also did a service project, led by the Nesvolds, at the Ronald McDonald house again. Four very large brat pots were filled with bratwurst, cabbage, potatoes, carrots, and corn for about 60 people. The guests were very complimentary of, and thankful for, our meal as they normally are served pizza, spaghetti, or chili. It was heartwarming to see these families have a few minutes of rest and peace, as most of their time is spent at one of the nearby hospitals with a love one.

## Rolling Springs

November reminds us of all the things we have to be thankful for: Great camping trips, friendship and health. Several of our members are present this month that have endured major health challenges this year. We are so thankful for their continued health improvements and a reminder of how fragile life is and to treasure the time together.

December we celebrate the holidays with a toy drive. They are presented to "Toys for Tots". We also have a Christmas stocking decorating contest. Wow do we have some very creative people in our chapter. Congratulations to the winners Bob and Mary, Don and Cheryl, and Steve and Candy. Great Job done! Then comes a group favorite of tree ornament exchange. And exchange we do, several times! Which brings lots of laughter and good tidings for everyone and we all go home with beautiful ornaments.

New Year's Eve we spend at Jose Muldoon's enjoying Mexican food and each other. I love this annual tradition to be together one more time. What better way to end the year and toast in the new than with our Rolling Springs family.

## FCRV Silver Foxes Chapter #3931

Marvin and Edith Kramer  
Charter Members

What started in the late 1950s in Europe with a 12x12 blue tent resulted in RVing for a lifetime. Marv and Edith camped with the intent of much sightseeing and relaxation. They did continue to tent camp after they came back to the states. The lore of RVing got to them and in 1995 they joined FCRV after an RV show. It was one of those "Let's try it for a year" moments. Twenty-one years later they were still members. First it was The Gray Wolves and the next spring they volunteered, or were recruited, as Field Directors for a newly formed retiree chapter - The Silver Foxes. The Kramers recognized their passion for RVing created a pattern for them to lead which resulted in Marvin and Edith Kramer serving as Field Directors for both the Gray Wolves and the Silver Foxes. They demonstrated their commitment in their attendance to the state and national campouts whenever they could and reported back to the Clubs with zeal.

They started as tent campers, moved to an 18-foot travel trailer and when they joined FCRV they moved on up to a 24-foot Class C. There was no stopping them from there. Over the years, they have had a variety of motor homes, both Class C and Class A. Marvin was seen clutching their "last" motor home which was presented to them when they retired from the Silver Foxes

"Although motor homes, and their owners, wear out, the memories generated stay forever." Edith Kramer

## *In Loving Memory*

It is with sadness the Silver Foxes share with you Marvin Lewis Kramer, age 85, passed away on January 10, 2017. He was a resident of Colorado Springs, Colorado since 1977 for a total of 40 years.

Marvin was born on January 16, 1931 in Cleveland, Ohio to Edward Aaron Kramer and Alma Z. (Gaskill) Kramer. On November 25, 1949 Marvin married Edith May Nash in Washington, D.C. They were happy together for 67 years.

He was an officer in the United States Air Force with duty stations around the world. He retired as a Colonel after 28 years of distinguished service and he and Edith settled in Colorado Springs for the remainder of his life.

Marv was fond of ballooning, travel and camping. He was a longtime member of the Ballooning Society of Pikes Peak and the Silver Foxes and Grey Wolves RV groups. For many years, Marv taught the Senior Driver Safety course for AARP in the region. Marv and Edith volunteered extensively at the Colorado Springs Pioneer Museum.

He is survived by his wife, Edith; his sons: Stuart (Ede) and Mark (Bobbi); his grandchildren: Olivia (Adam) and Hilary (Don); and his great grandchildren: Yael, Isaac, Talia and Leila. He was preceded in death by his parents, Edward and Alma Kramer; and his son, Gregory Kramer.

## Woodland Wookies

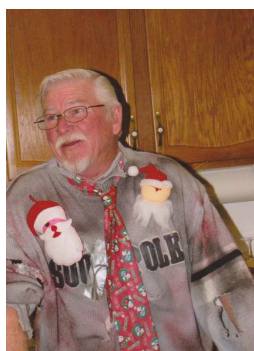

What do the FCRV Woodland Wookies do these months of no camping?

... Home parties and gatherings at restaurants—that's what!

HAPPY NEW YEAR!!

You can't buy  
Happiness ...  
But you can buy  
An RV  
That's pretty close!

"Relax, you're on CAMP TIME"

All the thoughts of camping going through all of our minds ...

Getting ourselves outdoors no matter the weather is a BIG HELP with  
"CABIN Fever."

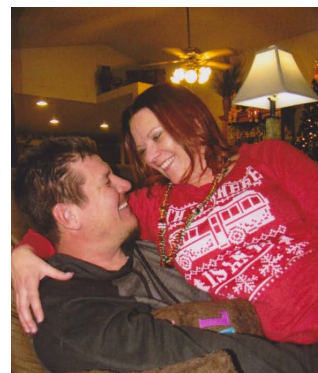

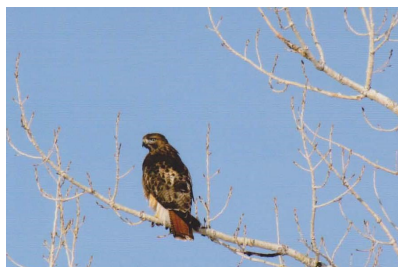

"I prefer my camp personality to my *real world* one ..."

Whatever form it takes,  
camping is earthy, soul en-  
riching and character build-  
ing, and there can be few  
such satisfying moments as  
having your RV or your tent  
at a forest location with the

smoke rising from your campfire as the golden sun sets  
on the horizon—even if it's just for a fleeting moment  
before the rain spoils every-

## Weekend Warriors

The Weekend Warriors Chapter had a wonderful, busy camping season in 2016. We started out our season at KOA Pueblo South. We always try to camp close to a city that first spring campout, because you never know what trials and tribulations befall these campers the first time out. The only thing that happened was a blown fuse in one camper, and it took out all the lighting. Oh well, flashlights and candles.

We travelled to La Junta KOA, visited the Bent's Old Fort and Otero County Museum, along with the Koshare Indian Museum. Time for me to visit Otero Junior College where I attended almost (gulp) 50 years ago. Still looks the same on the outside.

South Fork in June is a beautiful trip. We learned all about Geocaching from one couple, and it turned out to be so much fun. Campgrounds there are nice and inexpensive. Will definitely do that again.

July found us in Gunnison, where we did a lot of hiking and enjoyed the cooler weather.

We traveled the other direction again in August to the John Martin Lake State Park. What a treat! Our camp hosts planned a Hawaiian Luau for our potluck. The weather was great, the food was exceptional, and we packed a lot of activities into this trip. The Amache Internment Camp is so interesting and sad to read about and visit. Not much left there, but so rich in history. We postponed our potluck till about 7:00 because we were all busy sight-seeing. Big mistake! Luau was all laid out, fortunately most of it was under our portable shelter. All of a sudden the winds started

blowing, and then the rains came, and the wild turkeys started running around looking for a roosting place. They found it right above us in the trees. The meal was eaten under the shelter with water running down our backs, but nobody cared much. We had such a good time, and things cleared out later that night.

Our annual trek to the La Veta October Fest was so beautiful. Changing colors in the mountains, and the weather was perfect. First Saturday in October, this is our go-to place. We just love it at Circle the Wagons.

One thing we've learned is that we can face anything together as a group, and the group is so in tune that we can laugh or cry in unison. Can't wait for 2017 camping!!!

We are very limited on space in the building so please register your booth along with your camping registration so that we can plan ahead of time. **Commercial vendors need to furnish their own tables.**

If you are going to need space for your chapter project sales, please let us know that as well by attaching this form to your camping registration. Tables will be available for chapter project sales. Because we will be using the tables and chairs on Friday evening, we ask that you don't claim your space for chapter sells until Saturday morning.

If you do not need electricity, please don't set up your booth along the outside walls.

Commercial vendors must include the fees for your booth along with your registration to Vodean Benham.

Only one person from the chapter needs to register for the chapter project sales.

## Rocky Explorers

To catch-up, the Rocky Explorers crowned their “Princess” at our holiday party. Valerie Park won the prize and title of “worst holiday costume”, but we think it was the best! We had a fun and fabulous time at Bucca de Bepo in December. Hosted by the Kotarys, we had more than enough food and a fun gift exchange.

In January, the Borns hosted a tropical themed murder mystery! What a great time! We wonder why Rich Price is always the victim...

In February, Valerie “Princess” Park hosted a night at the IMAX theater in the Denver Nature and Science Museum. The “Extreme Weather” documentary follows researchers and everyday heroes to understand our ever-changing weather (<http://movies.nationalgeographic.com/movies/extreme-weather/>). Before the movie the chapter met for dinner and a meeting at Brother’s BBQ in Denver.

We are not yet ready to go camping, although the current weather makes us want to! We have more exciting activities to look forward to in March and April before our first official campout in May.

On Thursday, June 8 at 10 AM come ride Fort Collins Municipal Railway Society's electric trolley Car 21. Originally purchased in April of 1919 Car 21 is the first electric Birney safety car purchased by the City of Fort Collins. The trolley service in Fort Collins ended in 1951 with cars and buses carrying people everywhere. In 1977 the Junior Women's League saw Car 21 sitting in Library Park and thought it would be nice to repaint it and sell souvenirs from it. However age did not treat it well. In 1980 the railway society got the approval from the city to relay track on Mountain Avenue, rebuild the trolley and build a car barn. Service restarted in May 1985 on weekends and holidays. The trolley is not equipped for wheelchair access but walkers and a few electric carts can be stored in the depot. The trolley can hold 28 adults and the round trip takes approximately 30 minutes.

Directions from the KOA: Turn left and go south on Taft Hill to Laporte Ave. Turn left and then turn right on N. Roosevelt and go south to Oak St. Cross Oak St. and park next to the trolley depot. The depot is next to the tennis courts.
