STATE DIRECTORS CORNER

JEFF & SHIRLEY KENDLE

Greetings to All. Fall has officially arrived and the leaves are changing. It's the perfect time to head up in elevation to see the beautiful colors. We have closed out summer with our annual Fall Statewide campout. We had just over 65 registrations. Our numbers continue to drop for our two state camp outs, many due to age. Many members are selling their rigs or do not want to attend because it is dry camping. We cannot afford to lose money because of low attendance, so, we are looking at different ways to provide the amenities that may attract more members. Many people don't necessarily like change, but we must in order to obtain more participation.

We have a new Teen Queen and a repeat Teen King who will be

representing Colorado at the 2019 International Campvention in Kansas. During the next few months they will be doing fundraisers and hopefully visiting some chapters. Please support them the best you can. (See their bio's in this edition of the Embers).

In this issue you will find more opportunities to assist this organization by volunteering to fill some important vacant positions NO ONE PERSON CAN DO IT ALL! If Colorado FCRV is to continue to function, Colorado members need to step-up and volunteer; otherwise, Colorado FCRV may not exist in the future – just like California, Arizona, and other states. COLORADO FCRV IS IN NEED OF VOLUNTEERS. We are seeking volunteers for the following positions.

Colorado State Director, Fireside Embers Editor, time is running out for this position, and Youth/Pre-Teen Director.

We would like to thank Elbert and Eileen Carter of the Silver Foxes chapter in Colorado Springs for volunteering to take over the position of Southern Retiree Directors. They are replacing Len and Wanda Durbin, who have done a wonderful job over the past two years. We also would like to thank Rick and Kathy Boatwright of the Colorado Cruisers chapter in Colorado Springs for volunteering to take over the position of CAMP Directors. They are replacing Bill and Rita Newell, who have done a fantastic job over the past years. Thank You All.

We decided to withdraw our resignation as Region 1 and Colorado Acting State Directors until the Fall of next year. Hopefully this will allow someone to step-up and give us time to show them the "ropes".

We are still looking for help in setting-up Spring Fling and the Fall campout. If you or your chapter would like to volunteer to help, let us know. The more that volunteer to help the easier it is on everyone.

From Interstate 25

Take exit 269 B and head west on Colorado Highway 14 into Fort Collins. Follow the signs to U.S. Highway 287 north (about ten minutes). Take 287 north until you get to the northern edge of Fort Collins (about ten more minutes). Shortly thereafter, 287 will split off to the right to go to Laramie. Do not follow 287 at this point. Rather, continue straight into the town of Laporte. The second stoplight after this split will be Taft Hill Road (CR 19). Turn left onto Taft Hill Road (CR 19). Now get into the very first left-hand turning lane that you come to, which is about 1/2 mile down Taft Hill Road (CR 19). Turn left onto Lakeside Resort Lane and follow the concrete driveway straight through the gate.

CHAPTER NEWS

THE RV RASCALS

JUNE - AUGUST 2018

June - Jacks Gulch was our destination this month. During a side trip to Ranger Lakes on Friday, 2 moose were spotted. Mother Nature though she was also invited to our outing, and shared some showers over the 3 days... but hosts Mary & Terry Leonhart outsmarted her by having a canopy tent for our visiting and meal enjoyment. Several Rascals walked from the campground down to a natural spring on Saturday; others drove down. Due to dark clouds and the “possibility” of showers, all rode back to camp.

(That’s their story, and they’re sticking to it!)

July - Our next outing was hosted by Jean & Bob Maxwell at Wyoming’s ***Curt***

Gowdy State Park. Although Cheyenne Frontier Days was in progress, some of the Rascals braved a shopping trip to Cheyenne (including a lunch stop at the Bunk House Bar & Grill), and a drive to Laramie the next day. Wyoming’s July weather was warm & breezy, but campsite views along Granite Reservoir were delightful.

August - This year’s end-of-the-year trip for the RV Rascals’ was a 5-day revisit to ***Ridgeway State Park*** and then 3 days at ***Palisade*** for the ***Peach***

Festival. On the way to Ridgeway, various couples made individual stops to enjoy: Buena Vista (to check out the burro race), Rifle Gap and beautiful Rifle Falls State Parks, and Gunnison (for scenic side trips to Crested Butte, the West Elk Loop to Paonia, and a boat tour on Morrow Point Reservoir into the Black Canyon of the Gunnison National Park).

The Ridgeway area was enjoyed as much this year as our 2017 trip.

This year’s trip was hosted by Michelle & Ken Vegter, who work camped last summer at the Ouray KOA. Vegters reconnected with Ouray friends, and the Rascals again enjoyed the natural beauty of this area of Colorado, plus shopping in Ouray and lunch at the Full Tilt Saloon. Vegter’s truck had a mechanical problem, and the Rascal “family” assisted in getting the truck to Montrose for repair... which gave the opportunity for more shopping and lunch at Fiesta Guadalajara!! A pot-luck at the campers was enjoyed the last night at Ridgeway.

The **James Robb State Park** campground at Fruita was our home while in the Palisade area. Again, shopping and side trips were enjoyed by our members, as was an escape from the heat one day via a trip “up the Grand Mesa” to the old Land’s End Observatory at 10,500 ft. The temperature there was much cooler than Grand Junction at 4,593 ft. (The Observatory building was closed in 2014.) Doug & Ruth Wert’s shopping led to the addition of a new family member: a cute Mauzer (Maltese/Schnauzer).

The *Peach Festival* started Thursday evening with an ice cream social and street dance. Entertainment included AFW owner Jake Jabs singing and playing guitar with the band. On Saturday morning, we admired (and coveted) entries in the Car Show before proceeding to Riverbend Park to check out all the craft and food vendors. Everyone bought peaches to take home!! Another great RV Rascals trip.

(Did you know, over 300 varieties of peaches are grown in North America???)

Summer should get a speeding ticket!!!

CHAPTER NEWS

SILVER FOXES

For our final official Chapter campout for the year (August 12 – 17 2018) the Silver Foxes enjoyed a return outing to the Circle The Wagons RV Park in La Veta Colorado. We had an enjoyable camp out there last year and it is scheduled again for next year. The quaint little town of La Veta is a short, maybe 20-minute. walk from the RV Park. The hosts (Don and Caroline Jamison, Herb and Pat Guild, and Willie

Walker) arrived on Sunday the 12th to ensure all was ready for the group who came in on the 13th. Other early bird camping couples – Ed and Nancy Downs and prospective members Peter and Jean Ohle also joined us on the 12th. The only other couple Lynn and Marion Waterhouse rolled in the next day. Sadly, several of our Silver Fox members who had camped with us last year were unable to join us because of illness or severe damage to their RVs from the big hailstorm in July. We really missed their company. The Waterhouses had to leave early because of health reasons.

For activities some went fishing while others played golf at Lathrop State Park a couple of times. Some of us played cards in the remodeled game/ dining room. The owners made available a pretty good variety of books, games etc. Short walks into LaVeta most days included a visit to the bakery, a road side stand and a local grocery store for cinnamon rolls and delicious ice cream at very good prices. We shared snacks together, had a potluck, and even went to Cucharas for a meal. As always, we took good care of our tummies! Our camp ground host even treated us to a

complimentary pancake and sausage breakfast on Friday morning the day of our departure.

The most memorable incident however was a pounding, gully washing, camper bashing hailstorm on the day of our potluck. We had all enjoyed our potluck meal

and some had returned to their RVs and some of us stayed in the group room to play games when the storm hit. WOW, the group room has a metal roof and the noise was deafening. Finally, we made a mad dash through the rain/hail mix in some places about 3" deep, most of us wearing sandals or flip flops. No one was hurt. Our group was quite lucky with minimal damage to our RVs but others in the RV park had quite significant damage.

Another bit of excitement was when Lynn Waterhouse came to the rescue of a lady from another camping group. She fainted from altitude sickness. He assisted in getting her up and provided a walker until the ambulance arrived.

WEEKEND WARRIORS

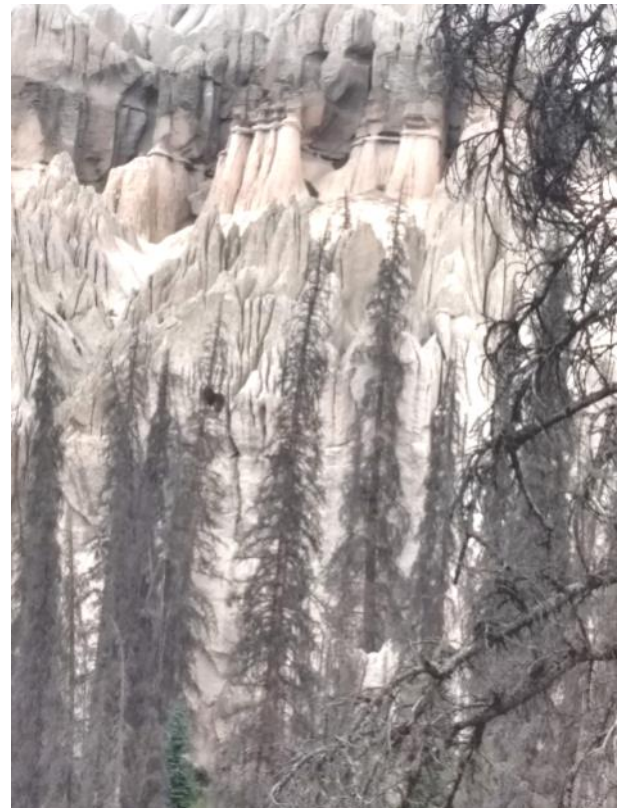

The Weekend Warriors have swept the state from north to south this summer, with July finding us at Fort Collins Lakeside KOA. A few members missing that month, but still had a great time playing in the Lake, a short trip to the nearby brewery, playing shuffleboard, and the potluck and business meeting were built around the beer theme. There was even beer ice cream for dessert.

In August, we went to South Fork, and the Peacock Meadows RV Park, which is fairly new, but really a great place to stay. Two fishing ponds and the river right behind it. Two couples took a day-long trip to Wheeler Trail on Friday, while a couple enjoyed the Bachelor Loop, and 2 other couples shopped the

Creede offerings for several hours. Our potluck/business meeting was held Saturday morning in their spacious community room for a potluck breakfast. Lots of yummy breakfast items and a good meeting. Interesting encounter with another camper in the RV park, who had a 2-month old raccoon that they're fostering. Parents were shot, so it needed a home. Cute, but wondering what happens when it grows up. Burn ban had been lifted, so we were able to enjoy a nice campfire on Saturday night.

MEET COLORADO FCRV TEEN KING

Caleb Demarest is 15 years old and a sophomore at Horizon High School in Thornton, Colorado.

Would you believe Caleb has Autism? Caleb does not let this stop him in any way! This is Caleb's second year as Teen King.

Caleb is a competitive gymnast at Xtreme Altitude. Caleb loves working on computers. He is your go-to guy for any computer issues you might have. He spends his off periods at high school updating and troubleshooting all the computers!

Caleb plans on attending college and majoring in Computer Engineering and Robotics. During camping trips, you will find Caleb playing cribbage, having a Nerf gun war, or helping out around the campfire.

Caleb cannot wait to represent Colorado in Kansas at Campvention!

MEET COLORADO FCRV TEEN QUEEN

Tahlia Demarest is 13 years old and in 8th grade at Rocky Top Middle School.

Tahlia loves school and dreams of being a teacher herself. Her favorite subject is math, but she excels in every subject! She was in the top 10% of her class last year.

Tahlia is a competitive gymnast at Flatirons Gymnastics. Her favorite event is the beam. Tahlia plays the viola and loves to act in theater productions in her spare time.

During camping trips you will see Tahlia shooting clays, running around the woods in a Nerf gun war, or snuggled in her chair with a book.

Tahlia is excited to represent Colorado in Kansas next year and is already practicing her speeches!

FAVORITE TEEN QUEEN AND TEEN KING RECIPE

CAMPFIRE PIES

You need 1 pie iron

Take 2 pieces of bread and butter both sides like you would for a grilled cheese sandwich.

Place the buttered side down in your pie iron facing the outside.

Fill with any type of pie filling. Caleb loves key lime and Tahlia loves lemon.

Place the other piece of bread on top.

Close the pie iron and set it in the hot coals.

Watch it carefully. It cooks fast.

Flip it a couple of times until both sides are golden brown.

Once it is done slide it on to a plate and dust with powdered sugar!

Yum! (It's okay to eat more than one)

CHAPTER NEWS

SILVER FOXES

What else can befall the Silver Foxes? We, the retired cohort traditionalists and baby boomer generation that we are, have tried to enjoy the benefits of camping as long as we can. For the most part we have been able to do this. This has been one hail of a summer though!!! Not only has life gotten in the way with some of our health journeys but Mother Nature has poked her head into our affairs. She has decided we did not have enough with which to grapple and threw some of our members damaging hail stones and in several instances, once wasn't enough. After getting the RV, homes and other vehicles repaired, round two hit in the same areas with the same results. One member's estimate damage to his RV was to the tune of \$40,000.

We live in beautiful Colorado with the knowledge that Colorado Springs gets an average of 13 large hail events every year thus the region is known as the second "Hail Alley". Southwestern Kansas is the first. Not only do we get lot of hail storms but often get lots of hail in one storm call plowable hail. Colorado Springs record hail is 4.9 inches (a grapefruit) on July 31, 1979.

Below are some pictures of the RV damages.

PLOWABLE HAIL

We at least got to camp at Terry Bison Ranch at the beginning of the season. La Veta in August is the next stop. Hoping for sunny skies with no bad weather!!!! *Submitted by Pat Guild*
