STATE DIRECTORS CORNER

JEFF & SHIRLEY KENDLE

The 32nd Spring Fling welcomed over 60 rigs to the Morgan Country Fairgrounds in Brush. The Friday evening potluck was well attended. There was lots of food and the Brush Parks Department brought their “mobile” gas grille over for us to use. Everyone was able to grill their food at the same time outside the kitchen doors. It was much more convenient than grilling at your rig and arriving for dinner with cold food!

Many attendees participated in cribbage, casting and horseshoes. Membership awards and chapter Anniversary awards were presented. We also had three hospitalities. Polish Poker was a big hit as usual. We had many members that had never played Polish Poker, they had a great time learning and playing. We had 22 First-Timers and feedback indicates that they had a good time.

The next Colorado State event was the Retiree Rally at Lakeside KOA in Fort Collins for a few days of fun and games. We had a couple of special guests visit us from the “Land of Lincoln” (Illinois) - the newly crowned FCRV Retiree King and Queen, Matt and Marla Mantia. A good time was had by all.

In about two weeks about 50 rigs from Colorado will head east to attend the Campvention in Hutchinson, KS. Thanks to all the members that volunteered to make “cow patties” for the hospitality and especially to the members that volunteered to spearhead the hospitality.

September will find us at the Southern District Retiree Rally. If you haven’t registered yet, get your Registration in now. There is still room.

The last Colorado State event will be the Fall Campout at the Lakeside KOA in Fort Collins. Currently we have 55 registrations. We have requested 15 additional sites to make the total sites available 75. If you plan on attending send your Registration form in soon before all the sites are taken. We are pleased that the response to holding the Fall Campout at the Lakeside KOA has been positive.

CAMP STARS

This Spring, the Camp Stars got back in the swing of things with camping outings in both March and April. Both of those campouts were in questionable weather conditions, but we made the most of them. In March the gang met at St. Vrain State Park for our annual kick-off. There was the usual Saturday morning hike, sitting around talking, and because the weather was iffy, everyone went to the Pump House Restaurant in Longmont in lieu of our usual outdoor potluck. Everyone said the food was excellent and a good time was had by all. A new couple joined us for the weekend. Welcome Tim and Kim.

For April we were scheduled to camp at Boyd Lake State Park. Two days before the weekend arrived, a blizzard blew through (literally) and dumped eight inches of snow all over everyone, but the Camp Stars are hardy folk and ten families showed up. We had a great time despite the weather. Friday night a bunch of us got together in the camper services building to play card bingo. Following some fresh snow during the night, Saturday morning we started the day off bundled up for our traditional C.A.M.P walk. During the afternoon we had a very welcome campfire with a lot of stories and reminiscing (this month is our 15 year anniversary together as a chapter), and once again we opted to have our evening dinner indoors at the Pizza Ranch. They have two nice reservable meeting rooms where we could party and also have our business meeting in private. This weekend we were blessed to have five grandchildren join us, including a pair of infant twins who received overwhelming attention from the women. A good time was had by all. And then Sunday morning the sky got blue, and the thermometer showed signs of life.

CHAPTER NEWS

FURTHER ADVENTURES OF THE CAMP STARS

The Camp Stars stayed fairly close to home in May by camping at the Carter Lake South Shore campground. They have opened a new loop there and we wanted to try it out. Our biggest complaint was that some of the sites were very difficult to get our rigs level. We had a great time even though we had some threatening weather (and a bit of wind). Saturday morning brought the usual hike along the lake shore over a very nice trail. We had about twenty people take the hike, including several grandchildren. Skipping stones was a popular pastime. In order to cut down the wind for our potluck dinner, some of the guys hung tarps in the picnic shelter, and wouldn't you know that as soon as the the Bunkhouse Bar & Grill. This place is so rural that one of the customers rode up on his horse and tied up to the ole hitchin rail.

SILVER FOXES

For many years our chapter has volunteered to help with the double I soil conservation seedling tree program in Simla. This year in April we helped again. Helen our conservation chair made the arrangements. Six of us made the drive to Simla. We packaged metal stakes, fertilizer tablets and bamboo canes which the soil conservation will distribute with the seedling trees. We were provided with wonderful fresh fruit, cakes and drinks all nicely set out on a table in the kitchen. Very delicious and welcome. On our way home we stopped at a little country café in Simla for a bite to eat. It was a very nice day.

Our first campout was at Chatfield State Park from 12th to 17th May. We had a wonderful turn out (9 rigs). We had our usual get-together with snacks our first day. Each day we had a morning walk with those who wanted to and of course we enjoyed lots of visiting and goodwill during the whole campout. Sadly, several of our group experienced significant water system problems. One pulling a brand-new camper experienced a leaking problem on his first time out! All total by Tuesday 4 out of the 9 rigs had different problems all related to the water systems. Fortunately, we have a very handy Silver Foxes who worked very willingly and hard to fix some of the problems.

On Tuesday we had a potluck at Caroline & Dons. What a potluck it was! The host made pulled pork and the rest of our foxes brought delicious salads, fresh fruit, baked beans and so much more. Honestly it was a feast. What great cooks we have. Absolutely delicious. One downside – (had to try a little of everything and so ate too much). Willie our chapter president had an upcoming birthday, Freida baked a cake beautifully decorated and with 10 candles. We all sang happy birthday while Willi blew out the candles. Willie was happy and quite surprised.

CHAPTER NEWS

SILVER FOXES (CONT.)

Wednesday was a free day with nothing planned. We went to the Waterton Tavern for lunch on Thursday and enjoyed the food and company. Caroline and don invited us all for dessert at their rig. Again, we had a wonderful time.

This was a nice campout. We enjoyed Chatfield State Park with its abundant wildlife and clean facilities. Deer were everywhere and we were treated to the sight of a great horned owl looking after 2 baby owls in their nest, which we caught an occasional glimpse of when they raised their little heads. While camping some played cards, some went to play golf, others relaxed and visited. All had a pleasant few days.

Thankfully all arrived home safely and now we look forward to our next camping get together. Be safe and well fellow FCRV friends.

CHAPTER NEWS

TRAILBLAZERS

In April the Trailblazers made the trip south to the KOA in Pueblo south. The weather was cool, but the hearts warm as we gathered for our first camping trip of the season. We had a trivia contest, an Easter egg hunt and a miniature golf tournament. We also played Bocce ball. It was good to be together again after a long winter. Some people made a trip to Bishop's Castle, which is fun thing to do while in area.

In May we enjoyed a trip to Lathrop State Park west of Walsenburg. We enjoyed the trip because not only did we escape the 1+ foot of snow that fell on Colorado Springs just a few hours after we left, but despite the cool weather we did have a really good time. We had some folks that enjoyed the bike ride around the lake, a hike on the hogback trail on the ridge and many of us really had fun playing miniature golf at the golf course that is right next to the park. What a perfect time of the year to see this State Park. It was a beautiful green with many wild flowers already blooming. The cactus were particularly beautiful.

A few brave souls had a camp fire one day, but we did have to keep moving to stay warm!! The Ludkes and the Fiedlers did a great job of planning many activities and despite the weather we all had a great time.

Did you know that the easiest way to find something lost around the house is to buy a replacement?? Or that there is always something to be thankful for if you take time to think about it. For instance, I am sitting here thinking how nice it is that wrinkles don't hurt!!

ROLLING SPRINGS

May took us to Limon Colorado. I never thought of Limon as a destination, but I was pleasantly mistaken. It is a small town and has a few hidden gems. Limon is home to the Limon Heritage Museum that is very interesting and entertaining. We spent several hours taking the tour and the staff is exceptional. We found a very good restaurant called Oscar's. Named after the movie awards "The Oscar's." The owners were very accommodating, and food was good, and service was fast even for a large party as our group, the KOA is nice park.

Presidents monthly quote: "A friend is one who knows you and loves you just the same." (Elbert Hubbard)

June we are in La Veta Colorado. The Circle the Wagons park is one of our favorites. You can request sites by the river, near the dog park and event center or under the trees for nice afternoon shade. The bathrooms are extremely clean, and the owners are very nice. Friday evening, we ate dinner at The Dog Bar & Grill in Cuchara. Sat. some of our members hiked in the area, some went to the National Sand Dunes. The remaining members ventured for a walk to town for Ice Cream at Charlie's and shopping. We welcomed new members this month; our camping family is growing.

CHAPTER NEWS

MILE HIGH GYPSIES

Summer has finally arrived and it's easier to get out on the campgrounds. No snow!! Now, we'll probably be complaining that it's too hot!!

April was the Field Directors' Workshop at KOA in Ft Collins. Our chapter gathered there for our campout. The kids had a great time fishing with grandparents and taking part in the campground activities while some of us attended the meetings. One member was ill and unable to attend. Another went to Indiana house hunting for their upcoming relocation. In the evening, we all attended the group potluck and some of us played Polish Poker.

May was set up for the Spring Fling. Unfortunately, we had some illness going on but those who attended had a good time. The following week, we held a 'Farewell Dinner' at Village Inn for the Newtons. Steve has started his new job and they are living in their camper close by while they are waiting to close on their home. We will surely miss them.

Our June campout location had to be changed and we will be in a group circle at Chatfield State Park. It reminds us of the early days of camping in that 'the wagons will be parked in a circle'. We are all looking forward to the last weekend of June.

One of our teens had the misfortune of catching a hockey puck in his nose in early spring, breaking it badly. He has since been selected for the baseball team for his school. Congratulations to Morgan.

WOODLAND WOOKIES

The Wookies have been in full swing this season! Our camping season is upon us and it has been quite the pleasure to be able to see nature at its finest! Kayaking, fishing, 4X4ing and exploring has been such rewarding experiences for all of us! The Woodland Wookies have added to our camping group just by "word- of -mouth" It definitely makes us a pretty happy "dry- camping" group to say the least! Wishing every FCRV member a safe and enjoyable summer filled with great campouts.

CHAPTER NEWS

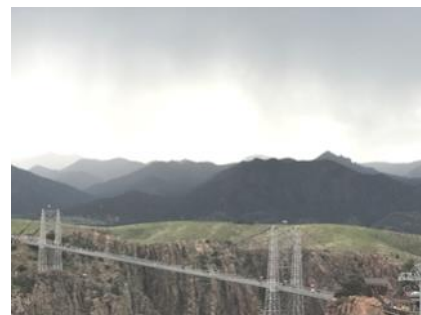

ASPEN ADVENTURERS

Spring Fling was well attended by the Aspen Adventurers. The kids had a great time playing games and making crafts. Unlike last year, the weather cooperated for the most part. There was a little bit of rain but not like last year when we were camped in the middle of Lake Brush. The teens enjoyed going to the movie and seeing Avengers – Endgame. It's always a great time being able to interact with everyone in other chapters.

In June, Aspen Adventurers found themselves in Canon City. Some took a rafting trip down the river, while others toured the Museum of Prisons, Royal Gorge Bridge, and the Abbey. A trip to Canon City would not be complete without exploring Old Town and shopping.

It's hard to believe that camping season is almost half over. We are looking forward to our next outing, Campvention in Kansas and when we get back to Colorado a BBQ and swim party.
