RON & CARLA MARTINEZ

Happy New Year! We hope everyone had a great Holiday and hope this new year brings another fun filled Camping season to all. We want to say a big Thank You to all the Field Staff and all the State of Colorado members. Without each of you and your participation, we could not be the best camping organization ever!

We have a new location for our General Membership & Planning meeting in February. The distance is about the same from Colorado Springs to our new location and may be a little closer for the members attending who live up north. We will be meeting at the Thornton Senior Center in Thornton, Colorado. The address is 9471 Dorothy Blvd, Thornton, Colorado 80229. Located off I-25 and Thornton Parkway, exit 220 and then go to Dorothy Blvd. Please be sure to park in the back near the fire station. The Teens will be selling breakfast items and Hot Dog lunches, or you can bring your sack lunch with you. We invite all membership to attend. We hope to see everyone there. We will discuss the planning of Spring Fling and the Fall Statewide events and many other State related topics.

Hope to see everyone soon!

2020 TRUSTEE ELECTION FOR FCRV PRESIDENT, VP PROGRAMS, AND RECORDING/CORRESPONDING OFFICER

As many of you know the nominating committee has been working hard to identify volunteers for the Trustee positions up for election in 2020. The March issue of "Camping Today" will contain the biographies of the candidates as well as their vision for FCRV. Ballots will be distributed in March 2020. Ballots will be emailed to those that the National Office has email addresses on file and snail mail will be sent to those that do not have an email on file with the National Office.

Candidates for the three positions have been identified as follows:

President – Gerald Pfirsch – Montana, current Region 3 and Region 8 Director

Jan Cushing – Wisconsin, current FCRV Comptroller

VP Programs – Loren Douglas, Ontario

Recording/Corresponding Officer – Beth Standiford, Missouri

Gerry Pfirsch

We are excited that a former Colorado FCRV member is on the ballot, Gerald (Gerry) Pfirsch, for the position of President of FCRV. Gerry was a long-time member of Colorado FCRV and was instrumental in forming several chapters in Colorado, Gerry was also the Colorado Northern District Director, Field Director of numerous chapters, and served in a variety of chapter positions.

We believe that Gerry is the best person to move FCRV forward and keep FCRV alive. Gerry is an individual that will listen to FCRV members and take into consideration their suggestions on how to make FCRV better for not only a few but everyone.

Please take a few minutes to read Gerry's letter to Colorado FCRV members requesting your support in the upcoming election. In addition, when the March issue of "Camping Today" is distributed, please read Gerry's biography and his vision for FCRV.

If you have recently changed your physical address or email address, please contact National Office at fcrvnat@verizon.net or call 716-668-6242 to update.

Regardless of whom you decide to vote for, we hope that Colorado FCRV members will exercise their right to vote in this very important election.

Jeff & Shirley Kendle
Region 1 Director

LETTER TO COLORADO FCRV MEMBERS

Dear Camping Friend

I would like to reach out to each of the camping family known as FCRV. As many of you know, I have placed my name in for President of our great camping organization. I would like to ask you for your support and vote during the election. In doing this, I would like to share with you a few ideas and how I feel about FCRV. Many of you only know me from Campvention; some are my dear camping family. I would like to share a few things that we will face as FCRV moves into the future. As many of you know, your Executive Board held double the meetings at Campvention in Kansas, more than we normally hold. I believe that there were many great ideas that the board brought to the Trustees. These ideas need to be acted upon and should be acted upon. I have advocated that we need to listen to the many members that work full-time and ensure that they are heard, and we design our functions to fit the lifestyle of all members working and retired as well. I also believe that we cannot continue to operate as an organization acting as if we have 10,000 members when we have 2500 members. It is imperative that we adapt to the times and we are realistic on what we do. We cannot do something simply because it is the way we have always done them. John Goodreads said "CHANGE IS INEVITABLE. GROWTH IS OPTIONAL".

I believe that we, as a family of campers, need to look to the future and take a lesson from our past. It is my opinion, that in the past, we were all working a full-time job and we were active in Chapters, held offices, filled Field Director positions, and some held National offices. As we did this, we trained successors to fill other positions in FCRV. This is a natural progression that works. I have noticed that we have, at some point, stopped training the next leader in the organization and I believe that no one other than myself can do the job. In my own Region I have Chapters that are fading away as a result of the refusal to change or allow new members, let alone a new Field Director, take the lead for the Chapter. This is just a few of the challenges that we face as we move into 2020. They are challenges that we will face, and part of facing is taking the first step and admitting that we face them and need to listen to some of the recommendations that were presented to the Trustees by the executive board at Campvention.

We rightfully expect a lot from our leaders; however, we also must support and uplift that leader. We must always remember that we are a body of volunteers that make FCRV work. It is a fact that we will not always agree with each other on every issue, but we should be open to ideas that support a common ground. I am a leader who will make a decision as to what is best for the greater good of the entire body, not what is best for just a few. I can assure each of you that in every decision I make, I will always be an advocate of the working members of FCRV. I also will always be on the side of what is the best for FCRV and for the greater good of the organization. This is my pledge to each of you, the members and friends, of FCRV.

So, I sincerely ask you to vote for me as President. I will go one step further and I encourage you, as a member, to please be sure to vote no matter the candidate that you support. Your vote is your voice in FCRV. The only way you will be heard is when you voice your opinion.

Please vote (Gerry)

Your Candidate for FCRV President
Gerald E Pfirsch (Gerry)

SILVER FOXES

We continue to do our Care & Share collection each month. We enjoyed our campout at Circle the Wagons RV park in La Veta CO. from Aug 12th to Aug 16th. We had great participation with eleven rigs and 21 Foxes. We enjoyed a pot luck with delicious food as always, those of us that were able and wanted to walk into town did so. We had ice cream at the local grocery store/ice cream parlor, did a little shopping, and some of us bought bread and sweets at the local bakery. We also went out for a meal. There was card and game playing and some of us worked diligently on a Jigsaw Puzzle in the very nice community room. The campground owners provided pancakes and sausage for breakfast the day of our departure. A wonderful campout that was enjoyed by all.

Many Silver Foxes attended and worked very hard at the Southern Colorado Retiree Rally in Colorado City. Many more details about this campout are in the latest EMBERS issue.

Most of us have winterized and stored our campers for winter. We are planning our Christmas luncheon and of course planning campouts for next year. We wish everyone a safe winter, Merry Christmas and good health and happiness in the coming new year.

SILVER FOXES

We enjoyed our Holiday Christmas Luncheon at the Texas T-Bone on 3 Dec. We appreciated the lovely table decorations made by one of our members. These were taken home by lucky raffle winners.

Several members were unable to celebrate with us for health reasons and were missed by all who did attend. We wish them all a speedy recovery.

It was a wonderful time and between the table decorations and the festive clothing many wore we had a true sense of Christmas. Gift cards were raffled off and December birthdays and anniversaries were celebrated.

We affectionately wished our friend and member (Oscar) a Happy 94th birthday and we all shared a delicious Birthday cake with him. I am sure that we all dream to look so good and be so active at that great age.

We collected \$39 for Care and Share. Thanks to our group for their generosity and thanks also to ED for giving pocket calendars to anyone who wanted them.

Now our Christmas luncheon is over, and we all said our good-byes with happy hearts and look forward to our get together's in 2020.

OUR CHAPTER WISHES ALL THE FCRV FAMILY A BLESSED AND MERRY CHRISTMAS.

HERE'S TO 2020 AND ALL THE CAMPING AND FUN WE CAN FIT IN.

Submitted by Patricia Guild

MILE HIGH GYPSIES

Our October campout took somewhat of a turn. We had some cancellations due to the forecast for nasty weather. But the diehard campers participated. The boys enjoyed fishing but had better luck catching frogs for the frogs' legs meal. The younger ones enjoyed trick or treating at the various campers. A good time was had by all even if we had to leave Saturday evening because of the cold wind.

November, we enjoyed a Texas Taco meal at Johnston's club house with potluck. Very tasty and fun for all. We had a very busy meeting, choosing our campouts for 2020. Secretary Carol did a great job in tabulating our choices. Very professional so it went rather quickly. We chose to merge some of our campouts with our State activities. This has proven to be fun in the past. We're looking forward to an extended trip for one of our campouts.

The Johnstons were honored for having received their 50-year membership certificate in NCHA/FCRV. They joined the organization in Nebraska Labor Day weekend in 1969. Where have the fun years gone??

After President Byron closed the meeting, we wrote Christmas cards to be included with gifts for our military men and women who won't be home for Christmas this year. They were so well received last year that we decided to do them again this year.

We discussed some fun events for some of our winter meetings. We plan the first event in January, hoping to go on a tour of a candy factory. Everyone is looking forward to that.

Addie had the misfortune to smash her finger in a car door and may have to have surgery. We wish her well, hoping for a quick recovery. And Jan will have hip replacement surgery the end of December. Wishing all our many camping friends a Merry Christmas, Happy Holidays, and Happy New Years. See you in 2020.

TRAILBLAZERS

The Trailblazers went camping in the La Junta area in October. We had to cut our trip short because mother nature decided to send snow on the last day. Being from Colorado we knew better than to fool with mother nature!

On the first day some of the members toured the Dinosaur Ridge, where we saw the Dinosaur Tracks. According to Wikipedia this is one of the most famous Dinosaur fossils in the world. There is so much history in this area.

Next day we went to Bent's Fort. Construction was started in 1828 to be used as a trading post on a branch of the Santa Fe Trail. It was built out of adobe bricks and the height of the wall is 15 feet high and 4 feet deep. It was a place for travelers to replenish supplies, such as water, food and make any necessary repairs to their equipment before going on with their journey. It was also used as a staging area by the American Army during the American-Mexican War.

There was also a very fun event called the "Tortilla Toss." This competition takes a lot of skill, or luck according to your point of view. Word is that Jerry Ludke was the most skilled or lucky one who won a golden tortilla by tossing it the furthest. We have a feeling this will become a tradition!

November's meeting just consisted of great company and great eats, great combination! We did discuss our upcoming campouts and how quickly we must make our reservations. Looking forward to next year!

It was a great season of camping for the Trailblazers and we are looking forward to next year. We would like to wish all you fellow campers a very Merry Christmas and a great 2020, especially in your camping experiences.

OOPS

On November 9th, the OOPS Chapter held their annual Planning meeting and combined it with the Thanksgiving meal. We are all ready for camping in 2020!

The OOPS Group had a fun time together at Jose O'Shea's eating and playing the White Elephant Gift Exchange. The kids all gave ornaments to one another. We would all like to say Merry Christmas and Happy New Year to you all!

CHAPTER NEWS

THE CAMP STARS

We haven't reached out to the Embers audience since August, so we have some catching up to do. In September, we did our "Year End trip". This year several couples went to Nevada to explore the area around Reno. This included visits to some of the old towns, and a day trip to the Lake Tahoe area. A boat cruise on the lake was one of the highlights. And I am sure that a couple of dollars were left behind in one or more casinos.

We decided that our October campout would be the Statewide outing at Lakeside KOA. The Camp Stars were celebrating our 15th anniversary, so we elected to have a hospitality. We got a very good turnout, and everyone had a great time all weekend. We participated in almost all the games and events and managed to win the bean bag baseball game and several ribbons in the pet parade. We had our first exposure to KUBE and had a lot of fun (though I'm not sure we all completely understand what's going on).

In November we had our traditional dinner and meeting at the Doubletree Inn in Platteville. We have gone there every year for the last 4 or 5 years. Lots of reconnecting with folks who hadn't been at some of the recent events.

We capped the year off with our annual Christmas party. This year we decided to have our dinner at the Loveland Pizza Ranch where we could eat ourselves into oblivion, and then we moved on to the home of John and Judy Feyen for desserts, a meeting to finalize our camping schedule, and a gift exchange. A good time was had by all.

CHAPTER NEWS

WINDSOR GARDENS RETIREES

Windsor Gardens has never had a camping chapter until this year. We had our first meeting on Friday January 25, 2019. Several of the group signed up to be members March 19, 2019 Lakeside KOA Fall Campout October 2019

Our new chapter name is the Windsor Gardens Retirees. We held meetings in the months of January-August.

Our first camping trip together was with the Southern Colorado FCRV Retiree Rally September 2019 at the KOA in Pueblo City. We went to the Bishop Castle, played lots of games and Sandy Ashizawa won 2nd Place in the pie contest.

October our chapter joined the Fall Stateside Campers at the Lakeside Ft Collins KOA and boy, did we have fun. What is Koob anyway? We all received certificates and were very proud to show them off. We met so many other chapters represented (as a mixer). We had so much fun we are going back again in June 2020.

On October 25th, we shared breakfast food items and talked about 2020 camping trips we would like to take together.

Right away, a host stepped up for our group to visit another FCRV group at Cherry Creek in April 2020. We met our last time at a member's condominium and had a festive and wonderful brunch.

We have eager future hosts lined up already for 2020. We plan to join everyone present at Cinzetti's on January 10, 2020.

There are plans to go to the KOA above Central City for the July 4th fireworks and a host has suggested Buena Vista KOA for an August trip. We still have renters and camper members working so we always welcome them to join us on a weekend trip if they can. It sure is nice being retired and being able to go during the week though.

My husband Lynn and Stuart have had several walks around the circle here or the High line Canal and counting those steps towards wellness. Plus, at this time of year the whole community is lit up with all kinds of lights for the holidays. We are known for it. Each building competes and wins money for their building fund. Come on over and drive through to see for yourself. Our chapter members live all over the community.

We are always looking for ideas of places other than a KOA area full Hookup or dry. We are gearing up to go and meeting so many new faces on the way.

Sandy Ashizawa brought this pie up from Denver and we heated it up in our little oven for the first time since buying it...the trailer not the pie. She won 2nd place to a nicely decorated peach pie

ROLLING SPRINGS

November and cooler weather find the Rolling Springs gathered at Mimi's Café. We had a very large turnout of members, only two families couldn't attend. Food was good and the company was excellent. We are thankful for being together, our camping family and the lifetime friends we have made. We share adventures, tragedy, births of grandchildren. We encourage or successes and wrap our arms around each other as we struggle with surgeries and turns of life.

Presidents Monthly Quote: Not what we say about our blessings, but how we use them, is the true measure of our Thanksgiving. (WT Purkiser)

December reminds that the we have many blessings. We share some of blessing by collecting and giving to Toy's for Tot's. We love to give and do so several times a year to different charities. We enjoyed our meal at Macaroni Grill. Our wait staff was exceptional. Then came our fun with a white elephant gift exchange. We drew our number and match it to our gift. There were Oh's and giggles and happy people. It was a great evening and kudos to our hosts for all that they did. Happy Holidays!

We will meet again in the New Year.

Presidents Thoughts: December is the month of community, celebrations, the end of the year and national cookie month.

ROADRUNNERS

The Roadrunners celebrated their twenty-five-year chapter anniversary in the Black Hills of South Dakota in September. A fun memory of this trip is the Mount Rushmore National Monument was pretty much closed due to construction!! We viewed the monument from quite a distance and were so disappointed that the surrounding trails and informational exhibits were blocked off, as well. However, our spirits picked up with the main event--the 1880s train tour between Hill City and Keystone—and our side trips to Bear Country, the Cosmos Mystery Area, the Prairie Berry winery with their famous Red Ass Rhubarb wine, and dinners at the Buglin' Bull in Custer and Desperado's in Hill City.

We closed our camping season, in October, with our annual chili feast at Riverview on a warm Fall weekend with a few games of corn hole, bean bag baseball and pass the trash. Of course, the group feasted on turkey and all the fixings at our November event, when our new officers were installed. And we celebrated the 2019 Holidays with a festive feast hosted by the Nesvold's. Once more, we look forward to 2020 and the smell of a campfire that is surrounded by Roadrunners telling their stories!

Take exit 269 B and head west on Colorado Highway 14 into Fort Collins. Follow the signs to U.S. Highway 287 north (about ten minutes). Take 287 north until you get to the northern edge of Fort Collins (about ten more minutes). Shortly thereafter, 287 will split off to the right to go to Laramie. Do not follow 287 at this point. Rather, continue straight into the town of Laporte. The second stoplight after this split will be Taft Hill Road (CR 19). Turn left onto Taft Hill Road (CR 19). Now get into the very first left-hand turning lane that you come to, which is about 1/2 mile down Taft Hill Road (CR 19). Turn left onto Lakeside Resort Lane and follow the concrete driveway straight through the gate.
