STATE DIRECTOR'S CORNER

SHIRLEY KENDLE

As the camping season comes to an end, I hope that everyone has made new friendships, taken numerous photos, and made lasting memories.

Chapters should be working on their camping schedules for 2023 by now. Remember, all Colorado chapters are to turn in their camping schedules to the State Director by December 31st.

Plans for the Retiree Luncheon, Colorado Retiree Campout, Spring Fling, the Southern Retiree Campout and the Fall Campouts are currently underway. Make sure you read each edition of the Fireside Embers for updates.

I also encourage you to read Camping Today. It is released on the 15th of each month and contains a wealth of information.

Tentative dates for State and National events are on page 3 of this issue. Jeff and I look forward to seeing you at one of the events next year.

NATIONAL DUES

MESSAGE FROM VP PLANNING & DEVELOPEMENT

Hello, campers...

Your help is needed.

Building a strong and ever-growing commercial member base has been a challenge for FCRV for well over a decade. While we are by no means alone in this struggle, we have several advantages many other non-profits do not: A 73-year organizational foundation to build upon; a consistent mission of wildlife preservation and environmental conservation that spans all demographics; and an energized, international member network.

Both current and prospective commercial members have different needs and priorities. To increase and retain financial sponsors, we must establish membership tiers that meet members' needs and help appropriately fund our organization. They must also reflect today's marketing desires and strategies, which the current levels do not.

Our FCRV website now lists the commercial membership tiers as "Under Construction." Here are the previous tiers for review:

Basic Membership	Enhanced Membership	Advanced Membership	Superior Membership
\$50.00/yr	\$100.00/yr	\$150.00/yr	\$200.00/yr
<ul style="list-style-type: none"> You receive listing on the fcrv.org website Welcome listing in FCRV's online magazine, "Camping Today" and listing in the annual Commercial Membership Report in the May issue of 'Camping Today' 	<ul style="list-style-type: none"> You receive listing on the fcrv.org website Welcome listing in FCRV's online magazine, "Camping Today" and listing in the annual Commercial Membership Report in the May issue of 'Camping Today' logo and a hot link to your website on every page of the fcrv.org website rather than just a listing. 	<ul style="list-style-type: none"> You receive listing on the fcrv.org website Welcome listing in FCRV's online magazine, "Camping Today" and listing in the annual Commercial Membership Report in the May issue of 'Camping Today' logo and a hot link to your website on every page of the fcrv.org website rather than just a listing. 1/4 page ad for 12 months in "Camping Today" (¼ Page size 1 ¾ x 2 ½) 	<ul style="list-style-type: none"> You receive listing on the fcrv.org website Welcome listing in FCRV's online magazine, "Camping Today" and listing in the annual Commercial Membership Report in the May issue of 'Camping Today' logo and a hot link to your website on every page of the fcrv.org website rather than just a listing. 1/2 page ad for 12 months in "Camping Today" (½ Page Size 3 ½ x 5")

Offering members varying levels of benefits with each tier gives current and prospective members more options to meet their needs, while also staying within their budget. This, in turn, boosts membership renewals.

How may you help? Creative minds are needed to aid in the development of our new tier strategy. As consumers, we ALL have marketing experience and opinions, especially when it comes to RVs, camping products, supplies, and campgrounds.

Please strongly consider joining our Commercial Task Force and lending a hand in this endeavor. You may send your questions and/or desire to participate to DrAmyDeCamp@gmail.com.

Thank you!

SOUTHERN COLORADO RETIREE RALLY

In September, Colorado retirees attended the Southern Colorado Retiree Rally at the Colorado City KOA, south of Pueblo, Colorado. The retirees had a much needed relaxed week after attending Campvention 2022 in Pueblo, Colorado. There was a lot of food, games, laughter, and entertainment to make an abundance of memories.

Campfire, music, laughter, and popcorn.

Game Time - Card Bingo & One Card Poker

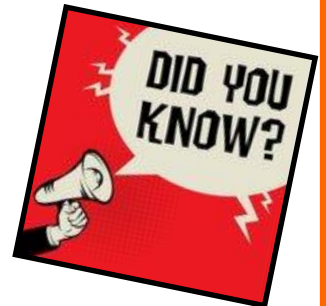

Candy Corn was originally called Chicken Feed

Though many would argue that candy corn tastes like chicken feed, that's not how it got its original name. Created in the 1880s by George Renninger, it was sold to the masses by Goelitz Confectionery Company (now Jelly Belly Co.) at the turn of the century.

Because corn is what was used to feed chickens, the creation was called "Chicken Feed" and the box was marked with a colorful rooster.

Trick-or-treating comes from "souling"

Having children dress up in costumes and go door-to-door like little beggars demanding treats is kind of weird. Like several other Halloween activities, the tradition can be traced back to the Middle Ages and the rituals of Samhain.

It was believed that phantoms walked the earth on the night of Samhain, so people would dress up in costumes in an effort to repel the spirits.

CHAPTER NEWS

Trailblazers June Campout Alamosa, CO June 20-23, 2022

Our June campout was at the Cool Sunshine RV Park. A BIG thank you to our hosts Wayne and Denise Fiedler and Ron and Sue Frindt. Our hosts started off Monday evening with brats on the grill with all the fixins'. Members brought salads and desserts. In honor of Father's Day, all the men received a tie!

Our luncheon and meeting was held at Juanito's Mexican and American Restaurant.

We spent the morning/afternoon at Colorado Gators Reptile Park just 17 miles north of Alamosa. We had a good time feeding the alligators and huge turtles. Some brave people in our group held a baby alligator and a very large snake!

Our evenings were spent playing games and socializing. Our hosts planned Bingo for an afternoon of fun and if you were lucky, a little gas money!

Our group would like to thank Vicki Patterson for designing and painting the box used for the aluminum tab receipts for Campvention 2022. Vicki did an exceptional job capturing the theme, Rocky Mountain Bliss. We sure do appreciate her artistic skills!

The Trailblazers wish you safe travels and lots of fun!

CHAPTER NEWS

Rambl'n Rec's

Rambl'n Rec's had such a fun week at Snowy Peaks RV Park in Buena Vista, CO last June. Besides all the food, games, eating out, etc, we had private tours at the Buena Vista Depot Transportation Museum and also at the Buena Vista Heritage Museum with lots of history and interesting stories. At the Heritage Museum we were almost totally surrounded by the coolest and largest model train sets I've ever seen. The murals of old town Buena Vista on the walls behind and blending into the tracks were amazing. BIG thanks to Eva and Ed Yekel for setting this all up.

As it turns out, Kathy knew Shelvis, one of the entertainers, as they worked together a few years back.

July was the Campvention. Rambl'n Rec's members Ken & Karen Fleming and Jim & Kathy Morris represented us well volunteering to help out with a number of events and sounds like they had a lot of fun in the process. There was awesome entertainment with each evening being different. It sounds like a great success with \$1530 raised and 263 non perishable food being donated to the 'Care and Share Food' program which benefited all of Southern Colorado encompassing 31 counties. Thanks guys!

Trailblazers July Campout

Trailblazers July Campout Fun Valley Resort South Fork, CO

July 18-21, 2022

For many of us, Fun Valley was a first time experience. We had a great time! There is fishing, miniature golf, inner tube rentals, and much more! A few of us tried out the pedal boats. There was a lot of laughing going on, even when we got caught in the rain!

A BIG thank you to John and Peggy Fulks (they are enjoying the Street Dance in the picture on the right) for hosting.

We gathered under a wonderful shelter, provided by the

hosts, that protected us from the sun and the rain we experienced. We enjoyed drinks and snacks after our arrival on Monday and a continental breakfast one morning. Our luncheon and meeting on Tuesday, was held at Ramon's , in South Fork.

Bingo was an activity one afternoon with prizes. Everyone participating received a

prize, sometimes two, they were so lucky!

The Resort hosted a Street Dance that many of us went to. We had a lot of fun dancing and watching everyone else dance! A lot of great dancers out there!

Be safe and enjoy the rest of the summer and your campouts!

ViewFinders recap of the past three months...

July we had 7 rigs, 14 people (13 who were “first-timers”) attend the Campvension in Pueblo. We met some awesome people, attended informative seminars and enjoyed evening entertainment.

ViewFinders in downtown Pueblo for dinner

August the trip was to the Great Sand Dunes and Durango (5 rigs, 7 people) Had a great dinner/show at the Bar D Chuckwagon and a visit to see the alligators made for an amazing time.

Jeremy with a baby alligator

September found us at the Denver West/Central City KOA (7 rigs, 14 people). Played ladder golf, had some good food and enjoyed nightly campfires and visiting

One more campout in October then the camping season is done – cue sad faces

Already planning/reserving for 2023 – it’s going to be a blast!

Pumpkin Cream Cheese Muffins

INGREDIENTS:

Cream Cheese Filling:

8 ounces cream cheese, at room temperature

1/3 cup sugar

2 tablespoons sour cream

1 large egg

Crumb Topping:

1/2 cup packed light brown sugar

3/4 teaspoon ground cinnamon

Pinch kosher salt

4 tablespoons unsalted butter, melted

1/2 cup all-purpose flour

Pumpkin Batter:

1 1/2 cups all-purpose flour

1/2 teaspoon ground cinnamon

1/4 teaspoon baking powder

3/4 cup sugar

1 teaspoon vanilla

1/2 teaspoon baking soda

1/2 teaspoon kosher salt

1 cup pure pumpkin puree

1/3 cup vegetable oil

1 large egg

DIRECTIONS:

Preheat the oven to 350 degrees F and line a 12-cup muffin tin with paper liners.

For the cream cheese filling: Beat the cream cheese, sugar and sour cream in a large bowl with an electric mixer on medium-high speed until smooth and combined, scraping down the sides of the bowl with a rubber spatula as needed, 1 to 2 minutes. Add the egg, then continue to beat until fully incorporated, about 1 minute more. Transfer to a resealable bag or small pastry bag, then set aside at room temperature.

For the crumb topping: Stir together the brown sugar, cinnamon and salt in a medium bowl until combined. Drizzle in the melted butter and mix with a fork until just combined. Add the flour and mix with the fork until evenly distributed and small, pea-size clumps form. Do not overmix or it will turn into a paste. Set aside at room temperature.

For the pumpkin batter: Whisk together the flour, baking soda, cinnamon, salt and baking powder in a medium bowl until combined. Whisk together the pumpkin, sugar, oil, vanilla and egg in a large bowl until smooth, then add the flour mixture and stir until just combined.

Divide the pumpkin batter evenly among the prepared muffin tin cups, filling each about three-quarters of the way up. Snip the end of the resealable bag or pastry bag, then insert the tip into the center of each cup about three-quarters of the way down and squeeze about 2 tablespoons of the cream cheese filling into the center of each muffin. The muffin cups should be filled almost to the top after piping in the cream cheese filling. Evenly sprinkle the muffins with the crumb topping, pressing gently into the batter to adhere.

Bake until the muffins puff, the crumb topping is golden brown and a toothpick inserted into the muffin comes out clean (avoid the cream cheese filling when testing with a toothpick), about 30 minutes. Let the muffins cool in the pan for 10 minutes, then carefully remove to a wire rack to cool completely.

Fun Facts you didn't know about Halloween

“Jack o’ lantern” comes from the Irish legend of Stingy Jack

Legend has it that Stingy Jack invited the devil to have a drink with him, but Jack didn't want to pay for the drink, so he convinced the devil to turn himself into a coin. Instead of buying the drink, he pocketed the coin and kept it close to a silver cross in his house, preventing the devil from taking shape again.

He promised to let the devil go as long as he would leave Jack alone for a year – and that if Jack died, the devil wouldn't claim his soul.

After a year, Jack tricked the devil again to leave him alone and not claim his soul. When Jack died, God didn't want such a conniving person in heaven and the devil, true to his word, would not allow him into hell.

Jack was sent off into the night with only a burning coal to light his path. He placed the coal inside a carved-out turnip and has been roaming the earth ever since.

People in Ireland and Scotland began creating their own creations of Jack's lanterns out of turnips, beets and potatoes. The tradition traveled to the United States along with the immigrants and people began to use pumpkins, native to North America, for the lanterns instead.
